

JACKSON TOWNSHIP RENT CONTROL BOARD
MEETING OF AUGUST 10, 2006
MINUTES

Due to a lack of quorum, no meeting was held.

Board Attorney Brian Rumpf discussed with the residents of Oak Tree Mobile Home Park the board's jurisdiction over recent events occurring within the park. Mr. Rumpf noted that Ms. Greenberg, Attorney for the park, was contacted and has advised that Oak Tree (landlord) will not submit to board questioning if no application is before the board. Ms. Greenberg advised that her client will respond to concerns of the residents, if submitted to Ms. Greenberg in writing. Although the board has sympathy for the residents, it must adhere to the rules of the Rent Control Ordinance and only hear matters that it has jurisdiction over. Residents are urged to file an application, available in the office of the Township Clerk, in order to schedule a hearing before the board on the application.

MEETING OF AUGUST 24, 2006 WILL BE CANCELED.

NEXT MEETING – SEPTEMBER 14, 2006.
