Dear Township of Jackson,

We are seeking out soliciting permits for our representatives, Jordan Griffin, Syed Yaqub Ahmed, and Emmanuel Nchako, to go door-to-door to market Verizon internet and cable services. Their information will be provided on separate applications, including addresses and other relevant documentation.

The areas worked will be in residential areas of the Township. Verizon gives us warm leads (potential customers who have already shown interest in services) for us to go door-to-door to assist with closing deals and answer any questions. We have attached a letter of intent from Verizon to our applications.

Additionally, Verizon mandates that all reps working on behalf of Verizon shall pass a background check, conducted by Sterling. We have attached this file to each application as well in lieu of fingerprinting. Other townships, including Maple Shade, Lawrence, and Montgomery have accepted the background check in lieu of fingerprinting.

Transportation to the locations worked will be through the following car (insurance & registration documentation to be attached to the application itself):

2011 Chevy Impala, White
License plate#: Pennsylvania - LPC0616

Thank you for your consideration and let us know if there is any additional documentation needed.

Warm Regards,

Jordan Griffin
President, CEO

To Whom It May Concern:

Verizon and Credico USA LLC d/b/a Credico (“**Credico**”) are parties to an agreement whereby Grizzly Solutions is authorized by Verizon, as Subcontractor to Credico, to market and sell various Verizon services in Verizon coverage areas. The bearer of this letter, a Sales Representative under Grizzly Solutions is approved under that agreement to perform those sales functions.

Pursuant to our master agreement, Verizon authorizes Sales Representatives of Grizzly Solutions to market selected Verizon network and affiliate services. Each of their Sales Representatives have completed Verizon product and technical training curriculum, which permits them to act as our Agent. The Verizon products and services offered through Grizzly Solutions have the same rates, technical support, and service levels as those offered through other internal Verizon sales channels.

These Sales Representatives also follow CDC and other state requirements regarding mitigation of potential COVID-19 exposure. Such practices may include maintaining at least six feet of social distancing, mandatory requirements (by the agent’s employer) to take daily temperatures (and not report in if sick), wearing face coverings, and implementing touchless sales practices.

Should you have any questions regarding Verizon Door to Door Sales Reps, please visit Verizon at <https://www.verizon.com/info/fios-door-to-door-sales-reps/>.

Sincerely,

//Agnes Burkhardt//
