Chief of Police
 Town/Boro Clerk

To Whom It May Concern:

It is time once again for our annual canvass in your community. Our current campaign is designed to protect our waterways and drinking water supplies from toxins, ensure that citizens know what is in their water, reduce pesticide use, and to elect "green" candidates.

As part of our effort to involve citizens in the political process, we will be conducting our door-to-door education and fundraising drive in your area. Its purpose is to disseminate information and gain citizen support through petitioning and fundraising.

We request, as a non-profit organization, that any fees associated with the drive be waived.

In recognition of the need for safety for the communities in which we work, we adhere to the following procedures:

1. Each canvasser will be required to conduct him/herself in a polite, professional, and courteous manner.
2. Each canvasser will be required to carry a Clean Water Action identification card and an Acknowledgement Form signed by either the Clerk or Police Chief.
3. The canvass will be conducted between the hours of 4-9 p.m.
4. A list of our canvass staff and vehicle information is included in this pack to forward to police dispatch.

Even though we are exempt from most standard local permitting procedures, we still ask an official to please sign off on the acknowledgement form and email back to lperiard@cleanwater.org. This will eliminate confusion and help reduce calls to the police desk on nights of our drive.

Thank you for your time and cooperation, and we are looking forward to working in your community!

Sincerely,
 Lindsey Periard

Dear Taxpayer:

This is in response to your Nov. 29, 2010, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(4) of the Internal Revenue Code in a determination letter issued in November 1973.

Because you are not an organization described in section 170(c) of the Code, donors may not deduct contributions made to you. You should advise your contributors to that effect.

Please refer to our website www.irs.gov/ea for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Rita A. Leete
