Jackson Cares for

Special People

MISSION STATEMENT

The Commission for the Disabled/ Handicapped under the auspices of Jackson Township advocates for the advancement and independence of special needs persons through events, trips and recreational programs.

JTCD/H started in 1971 and was the first organization of its kind in Ocean County to offer a wide variety of programs for people with special needs.

In addition to providing recreational, educational and social activities throughout the calendar year, JTCD/H provides help and information to residents in finding the proper agency responsible for resolving specific problems associated with a special needs person.

JTCD/H also features an Equipment Lending Program whereby special needs residents can borrow equipment such as wheelchairs, walkers, commodes and other items free of charge.*

*JTCD/H accepts donations of medical equipment that is new or in good condition to be used in our Equipment Lending Program.

Flyers can be located under e-backpack under Township Flyers
