RE: Request for Testimony
Proposed Project: Preliminary & Major Site Plan Amendment
Project Name / Applicant: Good Mowin' Landscape
Project Location: W. Veterans Hwy. & Hawkins Rd. Block: 18201 / Lot: 17

Dear Mr. Borden:

At the Environmental Commission (Commission)'s regular monthly meeting held on January 20, 2015 it was voted that a representative provide initial testimony for the above referenced project at the Commission meeting to be held on February 17, 2015.

It is noted, pursuant to Municipal Land Use Law, it is not required for an applicant to appear and / or provide testimony before the Commission whereas said Commission is an advisory capacity to the appropriate board (Planning or Zoning Board of Adjustment).

Should you decide to not provide testimony then additional information can be sent via regular mail to the Commission at the Town Hall address, as shown above.

Should you have any questions, please feel free to contact us.

Very truly yours,

Anthony Russo
Chairperson
