

Jackson Township Employee Complaint Policy

(from page 13 & 14 of the Township of Jackson Employee Handbook dated April 2014)

Employees who wish to complain of harassment, sexual harassment, or any other workplace wrongdoing are requested to immediately report the matter to their supervisor, or, if they prefer, or do not think that the matter can be discussed with their supervisor, they should contact their department head and/or the Business Administrator. Reporting of such incidents is encouraged both when an employee feels that he or she is subject to such incidents, or observes such incidents in reference to other employees. Employees should report incidents in writing using the Employee Complaint form, but may make a verbal complaint at their discretion. If the employee has any questions about what constitutes harassment, sexual harassment, or any other workplace wrongdoing, they may ask their department head or one of the individuals listed above. All reports of harassment, sexual harassment, or other wrongdoing will be promptly investigated by a person who is not involved in the alleged harassment or wrongdoing.

No employee will be penalized in any way for reporting a complaint. There will be no discrimination or retaliation against any individual who files a good-faith harassment complaint, even if the investigation produces insufficient evidence to support the complaint, and even if the charges cannot be proven. There will be no discrimination or retaliation against any other individual who participates in the investigation of a complaint.

If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be swiftly pursued. Disciplinary action up to and including discharge will also be taken against individuals who make false or frivolous accusations, such as those made maliciously or recklessly. Actions taken internally to investigate and resolve harassment complaints will be conducted confidentially to the extent practicable and appropriate in order to protect the privacy of persons involved. Any investigation may include interviews with the parties involved in the incident, and if necessary, with individuals who may have observed the incident or conduct or who have other relevant knowledge. The employee will be notified of a decision or of the status of the investigation within a reasonable time from the date of the report an incident.
